

ASPECT™ VINYL WINDOWS

ASPECT WINDOW FEATURES

ProVia's Aspect vinyl windows feature an innovative, multi-chambered frame and sash design, triple weatherstripping and exceptional insulated glass packages (/windows/comfortech-window-glass) for reduced air infiltration. Aspect, considered among the best replacement window brands (/vinyl-windows/aspect), also provides improved energy efficiency and greater year-round comfort.

The frame and sash construction exceed industry standards, and are tested against the most stringent requirements for air and water infiltration, wind load resistance, ease of operation, forced entry and more.

A
